I acknowledge this content release
I acknowledge and accept that the Association for Research in Vision and Ophthalmology (ARVO) may host anything I post within the Pathable platform, including livechat discussion, my image, likeness, name, biographical information, actions, performance, and voice, until June 30, 2021. For presenters only, this permission extends to any and all presentation materials and I agree that I will not post or otherwise share my presentation materials until after my scheduled presentation. I acknowledge that ARVO will not alter the photographs and recordings in such a manner that misrepresents, misinterprets my ideas or disrespects my reputation. If I am a presenter, I further agree that PowerPoint slides and/or other files used during my presentation have been cleared for copyright, i.e., permissions have been obtained for use of figures, photos, images, etc. I represent and warrant that (1) I have the authority to grant the rights granted under this agreement, and (2) neither my presentation or presentation materials nor its use as contemplated under this agreement will infringe upon or violate any rights of any third party. In granting this permission, I agree that ARVO shall be under no obligation to pay me for delivery or any service I perform as a result of this agreement, as for the permission I have granted to ARVO, I agree that I will not hold ARVO responsible for royalties or for infringement for any use or misuse of any photographs or recordings.

Opt in to share contact information with Exhibitors
I agree to have my contact information included in an attendee list available to select ARVO 2021 Annual Meeting exhibitors and sponsors.

Select an option to enter your data.

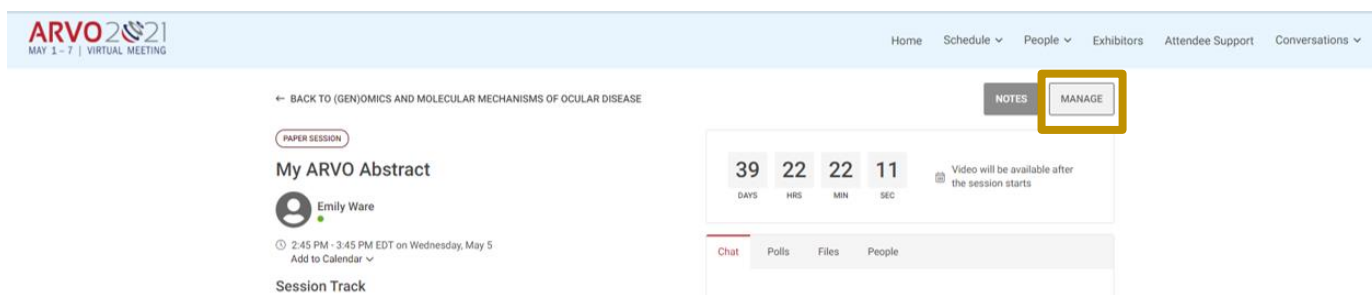

- **Find your presentation.** Navigate to your presentation by selecting Schedule and My Agenda.

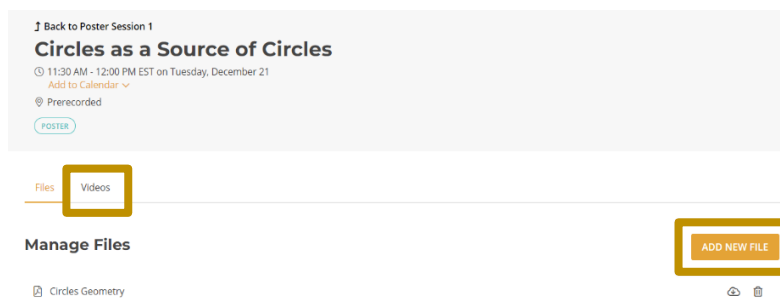

- **Select the title of your abstract.**

- **Select the Manage button.** This is where you will upload your presentation file(s).

- Navigate to the **Videos** tab and select Add New File to upload your presentation recording. When asked to enter a display name for your file, make it a short, descriptive phrase to help attendees identify the file, e.g., "YourLastName Paper Presentation". If you wish to include any supplemental files, you can follow the same process in the **Files** tab. Remember: anything uploaded in the Files tab is downloadable by other attendees.

- You may return to your abstract page by using the browser navigation. Note: Before May 1, your presentation files will not be visible unless you are on the Manage page. This prevents other presenters and attendees from seeing and downloading the files before May 1.
